

The 43rd Annual Scientific Meeting

of the Australasian Division of the International Academy of Pathology

31 MAY
to
02 JUNE
2019

INTERNATIONAL CONVENTION CENTRE, SYDNEY

KEYNOTE SPEAKERS

Breast Pathology

Ian Ellis
University of Nottingham, UK

Gynaecological Pathology

W. Glenn McCluggage
Royal Group of Hospitals Trust, Belfast, Northern Ireland

Dermatopathology/ Soft Tissue Pathology

Rajiv Patel
University of Michigan, USA

The Australasian Division of the International Academy of Pathology is dedicated to fostering education, research and to advance knowledge in pathology.

The conference aims to provide attendees with updates and recent research findings, with practical applications to enhance their day-to-day practice of pathology and enable them to tackle challenges ahead.

Topics

- Bone & Soft Tissue Pathology
- Breast Pathology
- Dermatopathology
- Digital & Quantitative Pathology
- Endocrine Pathology
- Fine Needle Aspirate Cytology
- Gastrointestinal Pathology
- Gynaecological Pathology
- Head & Neck Pathology
- Liver Pathology
- Lung Pathology
- Lymphoma Pathology
- Neuropathology
- Ophthalmic Pathology
- Paediatric Pathology
- Renal Pathology
- Urological Pathology

Exhibiting at the Annual Scientific meeting puts your organisation in front of some of the key decision makers in Pathology. The International Academy's Annual Scientific Meeting is one of the largest regular gatherings of anatomical pathologists within the region with 500+ registrants every year. The event is dynamic and inspiring, including a fantastic mix of formal lectures, symposia, oral workshops and poster presentations plus a variety of exhibits – all covering a wide spectrum of topics.

The society's premiere event brings together a global gathering of world-renowned pathologists who are acknowledged leaders in their own branch of anatomic pathology. Supporting this important educational forum demonstrates our mutual commitment to pathology and continuing professional development for pathologists working in our region. In addition to directly promoting your brand and displaying your products, your involvement will give you the opportunity to communicate and network with key personnel from both hospital and private laboratory practice and connect with decision makers and early adopters of new technologies, software and services.

The exhibition runs alongside the conference and gives your company/organisation the opportunity to display your product and/or service to potential clients.

This prospectus outlines, in general terms, the various ways in which you and your organisation may wish to participate as a valued sponsor or exhibitor. The Academy will be delighted to work with you to develop a more customised package that directly meets your specific needs.

Keynote Speakers

Gynaecological Pathology

W. Glenn McCluggage

Royal Group of Hospitals Trust, Belfast, Northern Ireland

Prof McCluggage is a consultant Histopathologist in Royal Group of Hospitals Trust, Belfast and an Honorary Professor in Gynaecological Pathology of Queen's University of Belfast.

He has published approximately 460 papers in peer reviewed journals, including original publications and many invited editorials and reviews. He is on the Editorial Board of several major pathology journals and associate editor of Histopathology. He is immediate past President of International Society of Gynecological Pathologists and was previously secretary of this society.

Previously he was President of the British Association of Gynaecological Pathologists. He is on the council of European Society of Pathology. He has an extremely busy referral practice and has been invited to lecture at numerous national and international meetings.

He has authored or co-authored various Royal College of Pathologists datasets in United Kingdom on reporting of gynaecological malignancies and has chaired the ICCR (International Collaboration on Cancer Reporting) panels developing international guidelines for reporting endometrial, ovarian and cervical carcinomas. He has been part of the last two WHO groups formulating the classification of Tumours of the Female Genital Tract.

Breast Pathology

Ian Ellis

University of Nottingham, UK

Ian has been involved in the practice of pathology for thirty five years and has an international reputation in clinical and translational research in breast disease, particularly classification and molecular pathology of breast cancer and evaluation of prognostic factors. Author of over 700 peer reviewed scientific publications, chapters in medical textbooks and specialist textbooks in pathology and an experienced lecturer being a founder member of the faculty of the Nottingham Blamey International Breast Education Centre. His H Index is 86.

He is a Past President of the Pathological Society of Great Britain and Ireland. He has been Specialty Advisor to The Royal College of Pathologists, and is past Chairman of the UK National Co-ordinating Committee for Breast Pathology. He has acted as an advisor to the DoH, UICC, WHO and IARC. He is Medical Director of Source Bioscience plc. He retired from his full time University and honorary NHS consultant post at the end of August 2015, returning on a part time basis in October 2015.

He is a very keen fly fisherman and wine taster.

Dermatopathology/Soft Tissue Pathology

Rajiv Patel

University of Michigan, USA

Dr. Patel is Professor of Pathology and Dermatology at the University of Michigan School of Medicine. He received his M.D. degree from Flinders University School of Medicine in Adelaide, Australia and completed his residency training in pathology at Cleveland Clinic, where he served as Anatomic Pathology Chief Resident. Dr. Patel completed fellowships in surgical pathology and soft tissue pathology, the latter under the direction of Dr. Sharon Weiss, at Emory University and dermatopathology at Cleveland Clinic. He is board certified in anatomic pathology and dermatopathology and is the Director of the Bone & Soft Tissue Pathology Fellowship at the University of Michigan and previously Associate-Director of the National Institutes of Health (NIH)/National Cancer Institute (NCI) Sarcoma Alliance for Research through Collaboration (SARC) Specialized Program of Research Excellence (SPORE) Biospecimen Core. Dr. Patel is an Associate Editor for the Journal of Cutaneous Pathology and an Editorial Board Member for The American Journal of Surgical Pathology, The American Journal of Dermatopathology and Pathology Journal of the Royal Australasian College of Pathologists.

He has authored or coauthored over 80-peer-reviewed publications and has lectured and directed courses on soft tissue pathology and dermatopathology for the American Society of Dermatopathology, the United States and Canadian Academy of Pathology, the American Academy of Dermatology and the International Society of Dermatopathology, as well as others. He serves on numerous committees including those of the United States and Canadian Academy of Pathology, the College of American Pathologist and the American Society of Dermatopathology.

He is a Member of the Board of Directors of the American Society of Dermatopathology, serves on the Executive Committee of the International Society of Dermatopathology and is a contributing author for the upcoming 4th edition of the WHO Classification of Tumours of the Skin.
